Every Life Answers....

Some questions simply fascinate us. Others eventually confront us and shape how we live. Is God really there—even when we cannot see Him? Why does God allow suffering? Does prayer make a difference? Can people truly change? What can we do with our guilt and doubt? We may postpone these questions, but the answers we live by still shape the direction of our lives—whether we realize it or not.

Every Generation Asks. **Every Life Answers.** This series will explore ten defining questions about God, life and faith through encounters with Jesus in the Gospel of Luke. Whether you have followed Jesus for years, are reconsidering what you believe or are just beginning to explore faith, you are invited to bring your questions and discover answers worth living by.

Inasmuch will be offering an interactive simulation that gives participants a glimpse into the experiences of refugee claimants and the difficult decisions they face before and after arriving in Canada.

Participants will be divided into small groups of approximately five people and move through a series of stations, making decisions together along the way. The one-hour experience is engaging and hands-on, helping participants develop a deeper understanding of the challenges refugee claimants face and fostering greater empathy for their experiences.
