Heritage Alliance Church ~ April 5, 2026

Welcome to Heritage...

Easter reminds us that hope is never out of reach. At the heart of this story is the good news that through Jesus, life overcomes death, light breaks through darkness, and new beginnings are always possible. Whether you've been part of church for years or are exploring faith for the first time, Easter Sunday is always an invitation to experience a hope that is real, personal, and life-changing.

As a church community, we are learning what it means to break free from the internal struggles that can leave us feeling stuck—distant from others, from God, and even from our own sense of purpose and calling. No matter your story or where you find yourself today, you are welcome here—and there is hope for you.

We'd love to have you join us again next week as we continue discovering what it means to live in the freedom of knowing who we are and how we were created to live.

Our Unstuck series of talks resumes again next Sunday.
