FEAR NOT

Trusting God during time of uncertainty...

Join us for the "Fear Not" series this Christmas season. We will explore the recurring angelic message found in the Nativity story, offering timeless encouragement for facing the challenges of the unknown with faith. Each sermon focuses on a key moment where God's spoke these words to individuals confronting uncertainty—Mary, Joseph, the shepherds, and others. Through these narratives, the series unpacks themes of trust, obedience, and hope in the face of fear, demonstrating how faith transforms uncertainty into an opportunity for God's grace to shine. Anchored in the Christmas story's message of Emmanuel—God with us—these talks encourage listeners to embrace courage, knowing they are not alone as they navigate life's unknowns.
