

THE WAY

CONNECT SERVE GIVE

HERITAGE ALLIANCE CHURCH - OCTOBER 26, 2025

Welcome to Heritage...

We welcome you to join us on our journey to follow Jesus. Here's a little info about our current series...*'The Way'*...

The Way Series – In the earliest days of the church, followers of Jesus were known as *people of the Way*. They lived in a manner that reflected the life, love, and mission of Christ Himself. This 12-week series will invite us to rediscover what it means to walk in *The Way*—to follow Jesus not just in belief, but in daily practice.

Together we will explore how the way of Jesus calls us into deep connection with one another in community, where we learn, grow, and care for each other. We will see how following Jesus means living as servants, using our gifts to meet needs both inside and outside the church. And we will consider how the way of Jesus shapes us into generous people, giving joyfully to fuel God's mission and to form hearts that reflect His own.

This is *The Way*: the path of connection, service, and generosity as we follow in the footsteps of Christ.
