Welcome to Heritage...

When Light Breaks In...

A light can seem insignificant in a brightly lit room, but in the darkness, that same light becomes impossible to ignore. Jesus entered the places others dismissed, avoided or feared. He brought light through His presence, truth, grace, service and sacrifice — from an overlooked town and a sinner's table to the position of a servant, a quiet manger and ultimately the darkness of the cross. This November and throughout Advent, we will discover how the Light came near and what it means to follow Him into those same kinds of places. Not to draw attention to ourselves, but so His light can shine through us, bringing hope to the places and people who need it most.
